Thank you for being part of our expanding virtual circle of about 56,000, including eNews subscribers and social media followers.

Synchronistically, on the exact official day for the release of my autobiography, *Ever Widening Circles & Mystical Moments*, March 4, 2025, I will be inducted into the prestigious 2025 Marin Women's Hall of Fame at a special event in Northern California. If you are interested in joining me in person, information is detailed below. Mid-March I will be participating in an international women's gathering, also titled *Ever Widening Circles* at the United Nations in New York.

How perfect that this will all be taking place in March during Women's History Month in the United States. We've come a long ways together, we're not going backwards, and we're not done yet!

With love, perseverance, and hope,

Out of nearly a hundred outstanding nominations, the judges had a difficult time selecting just five women for induction, a testament to the positive impact made by women in Marin!

The Class of 2025 Induction Dinner and Ceremony will be held on March 4th, 2025, 5:30 to 8:00 p.m. at the Embassy Suites by Hilton, San Rafael, CA. Ticket and table purchases are available.

If you would like to join Jean as she is honored at this very special event, you can get tickets at the link below
